

LMMS Virtual Nursing Clinic Newsletter

- April 21, 2020 -

Hi Lost Mountain Parents and Students.

I hope you all are staying healthy by continuing to social distance, eating right, exercising, and of course, cleaning heavy traffic areas and washing your hands regularly! The Cobb County school nurses are continuing to work along side the Department of Public Health in keeping track of positive COVID-19 cases in our school communities and staying abreast of the most current information to help keep our schools healthy and safe. I will be starting to send out information regarding the COVID-19 pandemic, school clinic updates and any other information that I think is important for you to know.

COVID-19 Testing

All symptomatic individuals are eligible for COVID-19 testing with a referral from your healthcare provider or your local public health department. Please contact Marietta/Cobb/Douglas public health department:

Direct Patient lines are open: **770-514-2300**

- 8 a.m. to 7 p.m., Monday through Friday
- 8:30 a.m. – 5 p.m., Saturday
- **Appointment needed!!!!**
- **Do not show up without calling first**

End of Year Medication Pick-Up

The Cobb County School

Nursing Department is working on a plan to safely return clinic medications. Information will be sent out once a plan has been developed

** Format adapted from Nurse Gray at Garret MS

More information can be found on my website:
