Happy Fall Lost Mountain Parents and Students

As we finalize plans for safely resuming middle school face to face on Monday, October 19th, strong communication between parents and the school nurse will be essential. Effective communication is critical for the transfer of student medical information in this time of COVID-19. It is important that communication is accurate, ongoing and transparent. **Please take a moment to look through these important items below.** Thank you 

Update contact Info on ParentVue
To include at least 1 emergency contact That can pick up Your child within 1 hour if needed

Clinic Cards will be distributed on the first day of school. Please fill out thoroughly and return to school ASAP

Medication Drop-Off is by appointment only Please sign up via [Sign Up Genius](#) link for dates prior to the start of face to face

Cobb County Health And Safety Protocols

Stay up to date regarding health and safety protocols and other return to face to face issues via www.cobblearningeverywhere.com

Mask Protocol

Sick Day Protocol

COVID-19 symptoms Are very similar to Other Respiratory Viruses. We ask that You keep your child at home when they are sick And follow our usual Sick day protocols

Student Wellness Check

Please see Cobb County's Daily Wellbeing Checklist and get in the habit of asking yourself the questions on the checklist prior to sending your child to school.

Feel free to email me with any questions or concerns

Personal Hygiene Bag (Optional)

To help reduce the spread of germs and cut down on sharing of items, we suggest creating a personal hygiene bag to be kept in student backpacks. Suggest items to include:
- hand sanitizer - pack of tissues - extra mask (labeled)
- Chapstick - water bottle (labeled) - feminine items
- wax for braces - glasses - contact case/solution
